

MT BULLER PREMIUM STAYS

The closest ski resort to Melbourne makes Mount Buller extremely accessible for self-drive travellers or those flying into Melbourne being only a 3hr drive or coach transfer.

You will love skiing snowboarding from the front door of your hotel or apartment, as well strolling only a short distance to explore Mt Buller's European style village. Most ski accommodation in town includes breakfast only or is self-contained. This means you can take full advantage of Mount Buller's gorgeous pedestrian only village with 40+ cafes and restaurants not to mention the many bars and après ski scene.

Mount Buller is also the only resort in the Southern Hemisphere with a 'snow guarantee' for the complete season (Jun – Sep), thanks to their extensive snow making facilities and network of snow guns.

Have a non-skier in the group, grandparent or Mum with bub? Not a problem, Mount Buller has tobogganing, Air Zone, a cinema and is the only resort in Australia to offer dog sledding. Sprinkle a little snow and magic into your family holiday and fall in love with a snow holiday to Mt Buller this season.
