When the temperature falls, Marcel and his friends generally return to the stables in the valley to spend the winter in the warmth. But this year, Marcel is not having any of it! Come and visit Marcel's Farm for a whole range of new experiences. A variety of attractions and colourful modules: hoops, a tunnel to pass through, slalom, moguls, figurines and photo spots... fun moments on the slopes with family and friends.

ROGER'S SLOPE

Alpe d'Huez introduces two new fun slopes for kids : modules, sculptures and unique decors await!

Roger's green run in the Bergers sector is unlike any other: a cool, giant Boarder! Get ready to slalom and jump the sheep! But remember to keep control of your speed. You'll have to make the right decisions, because there are plenty of short-cuts to help you save time.
